

Scarborough Centre for Healthy Communities (SCHC) is dedicated to meeting the diverse, holistic health needs of the people of Scarborough by addressing the physical, mental, social, financial and environmental aspects of their health. Through the promotion of healthy lifestyles and delivery of a comprehensive range of culturally competent health and social services, we cultivate vital and connected communities.

We are currently looking to hire a:

Social Worker
1 Permanent Part-Time position (0.5 FTE)
Sexual Assault Domestic Violence

Reporting To: Manager, Community Health Teams

Position Summary:

Reporting to the Manager, Community Health Teams, the Social Worker will provide short term counseling to persons over the age of 12, who are survivors of sexual assault or domestic violence. Referrals are received from The Scarborough Hospital, the community, self-referrals and the criminal justice sector. In partnership with internal and external stakeholders, this program also provides; advocacy, public education, training and community development through outreach activities.

Operating within their full scope of practice, the Social Worker will work co-operatively with all members of the interprofessional team to support individuals in need of their services. The Social Worker will participate in the development, implementation, monitoring and evaluation of clinical programs and services for individuals in accordance with evidence based clinical guidelines and best practices.

The Social Worker will establish and maintain ongoing liaisons with the agencies and community resources that are relevant and necessary to the integration of SCHC client centered programs, and services.

Key areas of responsibility

- Conduct psychosocial assessments and trauma counseling/therapy for those clients referred for service.
- Maintain accurate and concise confidential EMR documentation pertaining to patient history and encounter data
- Demonstrated initiative and ability to work independently with minimal supervision
- Contribute to clinical teaching and educating inter-professional team members
- Demonstrated knowledge and experience in counseling strategies with survivors of sexual assault/abuse and/or domestic violence

- Act as a client advocate on individual and systemic issues
- Participate in chart audits and peer reviews
- Participate in case conferences and complete client referrals
- Willing to preceptor students from academic facilities
- Participate in ongoing research related to SCHC client groups
- Perform other duties as assigned that are reasonable within the scope of the job.

Qualifications

- Minimum of a Master's Degree in Social Work
- MSW registered with the Ontario College of Social Workers
- Demonstrated knowledge and experience in counseling strategies with survivors of sexual assault/abuse and/or domestic violence
- Knowledge and awareness of issues related to trauma, sexual assault, childhood sexual abuse, domestic violence, immigration, mental illness, poverty and discrimination
- Three to five years of individual, and group trauma focused counseling/therapy experience working diverse communities
- Experience working in community health and in an interprofessional model of health and well being
- Experience and knowledge with the legal system as it pertains to sexual and physical assault
- Experience in program development, implementation, monitoring and evaluation.

Skills and Attributes

- Knowledge and experience of staged trauma therapy
- Demonstrated knowledge and experience in counseling strategies with survivors of sexual assault/abuse and/or domestic violence

By email: hr@schcontario.ca

We would like to thank all applicants; only those invited to interviews will be contacted.

Note: Please quote SW - SADV in the subject line.

SCHC values equity, inclusion and accessibility. We welcome those who have a demonstrated commitment to upholding these values and who will assist us to expand our capacity for diversity in the broadest sense. We encourage applications from members of groups that have been historically disadvantaged and marginalized, including First Nations, Metis and Inuit peoples, Indigenous peoples of North America, racialized persons, newcomers, persons with disabilities, and those who identify as women and/or LGBTQ2S+

Please note that all qualified candidates, eligible to be employed in Canada, are encouraged to apply.

As an employer, we strive for excellence as a workplace and are committed to building a workforce that enhances our capacity to meet the needs of the diverse communities we serve. SCHC is committed to providing a barrier-free environment for all stakeholders including our clients, employees, job applicants, suppliers and any visitors who may enter our premises, access our information or use our services. We respect and uphold the requirements set forth under the *Accessibility for Ontarians with Disabilities Act, 2005*, and its associated regulations.
